Virtue of the Month for March—Tolerance

Next Newsletter—5 March 2021

Together we empower global citizens.

PRINCIPAL'S MESSAGE

Welcome Back!
The start to the 2021 school year has been like no other! Despite the challenges, everyone in our school community adapted quickly and we have now had a great first week back at school. This is due, in no small part, to the planning and preparation completed by both staff and families, **and to everyone's patience, understanding and support.** Thank you!

Despite the week of lockdown, many events and activities commenced this week. Morning Running Club, instrumental music lessons and Edudance have all begun, and preparations for the Faction Swimming Carnival are underway. Next week, our first assembly for the year will be held and Mrs Tran will also be holding rehearsals for the Junior and Senior Choirs.

School Board Nominations

On behalf of the school community, I would like to sincerely thank Mrs Kasia Deery and Mrs Jessica Nailer for their time, valuable contributions and support of our school throughout their three year tenures on the School Board which finished at the end of last year. Consequently, there are now two Parent Representative vacancies on our School Board. The School Board is an important decision making group of our school comprising of staff, parent and community representatives. The Board is involved in activities such as reviewing policies, monitoring our school budget and analysing our student performance data. The Board meets once or twice each term on a Monday evening. If you would like to nominate for these positions, Nomination Forms are available by contacting the front office. Nominations close at 2.00 pm on Monday 22 February. If more than two nominations are received, I will conduct an election. Please don't

hesitate to contact me should you wish to discuss this opportunity.

Science

As you may know, we successfully applied to have an existing room converted to a Science Lab in 2018. After much anticipation, the lab was completed early last year. I am very excited to announce that all of our Year 1 to 6 students will be participating in Science lessons in the lab this year.

Chaplaincy

Chappy Renee is on leave for the remainder of the year, however we have already commenced the process to appoint a new Chaplain for this year. Our YouthCARE chaplaincy service is an **important part of our school's pastoral care strategy.** Chaplains are trained and are available to listen, understand and provide support to young people facing personal or social challenges. Although our school strongly supports chaplaincy, we understand that you, the parent/carer, may have objections to your child/ren interacting with or accessing the services of our Chaplain. If you do object, please visit the office to complete an Opt-Out Form. If you do not complete an Opt-Out form, we will assume that you give permission for your child/ren to access the Chaplaincy services if needed.

Connect

Our school's main communication tool is Connect, and it is vital that all families are receiving our Connect notices. If you or anyone you know is having trouble with Connect please let us know so we can provide assistance. When we commenced using Connect, we set up one parent/carer with access to Connect. If you would like both

parents/carers to have access, just let us know and we will happily arrange this for you.

School Parking

Safety around schools remains a high priority for the City of Canning and they work hard to improve child safety in a number of different ways. The Ranger and Community Safety Team have resumed rotational parking patrols at all schools within the Canning District, including ours. In an effort to educate drivers, cautions were issued throughout this week. However, infringement notices may now be issued to drivers of vehicles found to be in breach of the **City's Parking Local Laws, which can be found on the City's website.** Please read the safety around schools brochure included later in this newsletter.

Christmas Gifting and Re-gifting 2020

Thank you to all the children, families and staff who donated Christmas gifts and items for re-gifting to the Saint Vincent de Paul Christmas Appeal. Although the children and adults who received your gifts are unknown to us, we can be sure that they were all grateful for your kindness. The generosity of our Rossmoyne Primary School community made all the difference at Christmas time to many families. From the 2020 Starfish Pre-primary students and teaching team.

Reminders for 2021

Please support us to keep your child/ren safe by remembering.....

- we are a nut aware school—please avoid sending nuts and nut based products to school in your **children’s lunchboxes including muesli bars. We have a significant number of children in our school with severe nut allergies which can cause life threatening anaphylactic reactions;**
- no children are permitted to play on the playgrounds before or after school as no staff are on duty before 8.30 am or after school;
- to arrange for your child/ren to go to OSH Club if they will be arriving at school before 8.30 am and when you are unable to collect them promptly at the end of the school day;
- not bringing dogs on school grounds; and
- reminding your child/ren that the use of mobile phones and smart watches by all students is prohibited. (Students are required to hand their mobile phone to their class teacher at the start of each school day and smart watches need to be on aeroplane mode throughout the school day. Please remember that if students bring a mobile phone or smart watch to school, they do so at their own risk. The school accepts no responsibility for their security.)

Thank you in anticipation of your cooperation.

A Message from Chappy Renee

I write with sadness to say that I won't be at Rossmoyne Primary for 2021 as I have taken twelve months leave from school chaplaincy to take a position with St John of God Murdoch Hospital. It all happened in the last week of school and I apologise that I wasn't able to tell you personally, especially those families I have worked closely with in recent times. I have had three wonderful years at Rossmoyne Primary School and have thoroughly loved getting to know you, and journey with you through life's ups and downs. I am positive that the right Chaplain will be found to help continue the pastoral care of each of you, along with your teachers and support staff who all care for you deeply. I hope to visit throughout the year and wish you all the very best for 2021. Remember to ask for help no matter what it is, big or small, and find the person who will say 'I am listening, I believe you, and I want to help you!' You are all special and unique and created for an amazing purpose in your life. Be kind to one another and remember to give your heart, guard your heart and follow your heart. Blessings to each and every one of you from Chappy Renée. x

Community Announcements

Common Signs

Parking prohibitions are imposed to regulate and modify parking patterns. Their main function is to ensure that potential vehicle/pedestrian conflicts are eliminated.

No Stopping
You must not stop on a length of road to which a No Stopping sign applies.

No Parking
You may stop in a No Parking zone for a maximum of 2 minutes to drop off or pick up passengers. You must stay within 3 metres of your car at all times.

Parking Signs
Parking signs with specified time limits allow drivers to park their vehicles only within certain time periods.

Bus Zone
You must not stop or park in a bus zone.

Common offences around Schools

PLEASE BE ADVISED THIS IS A CAUTION FOR THE OFFENCE BELOW:

| Nature of Offence | Penalty |
|---|---------|
| <input type="checkbox"/> Stopping contrary to a 'no stopping sign' | \$80 |
| <input type="checkbox"/> Parking contrary to a 'no parking sign' | \$80 |
| <input type="checkbox"/> Stopping/Parking on path, median strip or traffic island | \$80 |
| <input type="checkbox"/> Obstructing access to and from footpath | \$80 |
| <input type="checkbox"/> Double parking | \$80 |
| <input type="checkbox"/> Stopping on verge | \$80 |
| <input type="checkbox"/> Causing obstruction | \$80 |
| <input type="checkbox"/> Parking against the flow of traffic | \$80 |
| <input type="checkbox"/> Stopping in a bus zone or near bus stop | \$60 |
| <input type="checkbox"/> Parking contrary to signs or limitations | \$60 |
| <input type="checkbox"/> Denying access to private drive or right of way | \$80 |
| <input type="checkbox"/> Driving or parking on a reserve | \$60 |
| <input type="checkbox"/> Stopping in disabled parking area | \$300 |

Please refer to the City of Canning Parking Local Law 2010 for the full list of prescribed offences.

Safety around SCHOOLS

Working together for a safe community.

School Parking

In an effort to provide a safer environment for everyone, Officers from the City of Canning patrol school parking in the mornings and afternoons throughout the school term.

It is imperative that drivers are aware of the road rules and understand signage around schools to ensure the safety of children, road users and pedestrians in general. Unlawful parking in school areas is a major safety hazard and parking infringement notices may be issued for incorrect, unlawful or dangerous parking.

At the beginning of each school year, City Officers conduct educational patrols in school areas. During this period Officers remind drivers of the need to park legally and safely and ensure compliance with the City's Parking Local Law 2010.

As part of this initiative, City Officers work closely with the school community to promote safety around schools. Information leaflets are also distributed to schools for inclusion in school newsletters to advise parents of the parking requirements under the Local Law.

Common Parking Problems

- Stopping/Parking in a **No Stopping** area
- Parking in a **No Parking** area
- Stopping/parking on a footpath
- Double parking
- Stopping/Parking on a verge without the adjoining occupiers consent
- Parking so that the vehicle causes an obstruction
- Parking against the flow of traffic
- Stopping/parking in a bus stop

Tips for Parents

- Observe Parking restrictions (read the signs)
- Stick to the speed limits at all times
- Be aware – young children can be unpredictable and hard to see!
- Be courteous and responsible
- Use 'Pick Up and Set Down' areas correctly (if provided)
- Always be aware of children
- Walk or cycle to and from school
- Plan your trip so that you arrive earlier
- Stop on the school side so your child does not have to cross the road
- Use the crosswalk services at all times
- Utilise parent's parking bays (where provided)

What NOT to do

- Block driveways
- Stop or park on footpaths
- Obstruct children's pedestrian crossings
- Get frustrated – try and stay calm
- Ignore speed limits around schools
- Ignore parking signs

Please contact Ranger and Community Safety Services on 1300 4 CANNING (1300 422 664) if you need help or advice regarding parking.

School Zones

40km/hr school zones are in place around every school in the City of Canning. School zones operate from 7.30am to 9am in the morning and 2.30pm to 4pm in the afternoon.

Children warning signs and 40km hour school speed zone signs are the responsibility of Main Roads WA and requests for additional signs or sign damage reports should be directed to them on 138 138.

Pick Up and Set Down Areas

Pick Up and Set Down Areas are designed to allow large numbers of vehicles/parents to pick up or set down their children in a short length of time. Typically they are located adjacent to the main school entrance.

When using these areas, kiss your child, say goodbye, allow them out and drive away as soon as possible. When using the designated Pick Up and Set Down Areas around schools never leave your car unattended.

Contact your local school to find out if a 'Pick Up and Set Down' initiative is in place.

Registering bikes with Bikelinc!

With the festive season now wrapped up, we expect a lot of students will be returning to school with new bikes. It's important to encourage good bike security both at school and home, like using a bike rack and an appropriate lock, along with registering their two wheeled toy on Bikelinc. Powered by Crime Stoppers WA, Bikelinc connects bikes, their owners and the Police. The database is used to find the rightful owners of stolen bikes and return them should they be recovered by Police. Signing up takes no time at all, is completely **FREE** and gives families peace of mind knowing their bike details are safely stored in one place. Visit the [Bikelinc website](http://www.bikelinc.org.au) to find out more or contact the Safe Communities team on **1300 422 664** for brochures or posters for your school noticeboard.

No Scaredy Cats South East Metro Parenting Support Service

For parents and carers of Children 3-10 years
 3-sessions
 Workshop Overview

While some feelings of anxiety can be a normal part of children's development, an increasing number of children experience higher levels of anxiety that can impact on their day to day life.

This workshop will provide parents and caregivers with a greater understanding of the problems of increasing levels of anxiety in their children and the role they can play in preventing the development of anxiety problems.

It will also provide a range of practical steps that parents and caregivers can take to help build resilience in their children.

Please provide your full name, contact number and post code when registering via email. Bookings are essential.
